Ark Encounter is three exhibits in one—the massive Ark structure itself, the incredible craftsmanship, and the beautifully-fabricated teaching exhibits. The combination of all three will amaze and inspire you to think differently about the biblical account of Noah's Ark. Ark Encounter features a full-size Noah's Ark, built according to Biblical dimensions. Spanning 510 ft. long, 85 ft. wide, and 51 ft. high, this modern engineering marvel amazes visitors young and old. Ark Encounter is situated in beautiful Grant County in Williamstown, Kentucky.
